Define Problem Statements (Customer Problem Statement Template):

Create a problem statement to understand your customer's point of view. The Customer Problem Statement template helps you focus on what matters to create experiences people will love. A well-articulated customer problem statement allows you and your team to find the ideal solution for your customers' challenges. Throughout the process, you'll also be able to empathize with your customers, which helps you better understand how they perceive your product or service.

Example:

I am	I'm trying to	But	Because	Which makes me feel
Applicant seeking a loan	Secure a loan for property	Married with no co-applicant income	Self-employed with a good credit history	Optimistic about loan approval

Problem Statement (PS)	I am (Customer)	I'm trying to	But	Because	Which makes me feel
PS-1	A fitness user seeking a personalized workout plan.	Follow a 7-day routine suited to goal and intensity.	Generic plans may not match individual needs or changing preferences.	Need guidance based on age, weight, goal and intensity.	More confident with a structured, personalized routine.
